THORAIPAKKAM, CHENNAI - 07.

and

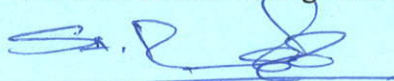

Fourrts (India) Laboratories Pvt. Ltd., No.1, Fourrts Avenue, Annai Indira Nagar, Okkiyam Thoraipakkam, Chennai-600097 which expression shall, unless repugnant to the context or meaning thereof, be deemed to include their successors and assigns on the OTHER PARTY

The aforesaid institution and entity are hereinafter referred to individually as a party and collectively as parties. The MoU is intended to recognize the general basis for a cooperative and a collaborative working relationship between the two parties to provide internship training to B.Pharm and M.Pharm students. The purpose of MoU is to provide training for students in various departments of the industry namely., Quality control, Quality assurance, Production, Packaging, Regulatory, Formulation R&D, Analytical R&D and Sales and Marketing. The training would be for a specified period for five students of IV year B.Pharm on mutual convenience with the intentions to train students to for future employment. The students of II year M.Pharm would be permitted for Internship and Project work. The two parties would jointly work on projects required for industries and research needs, with learned professionals of good industrial experience and promising students. They shall jointly agree to exchange their expertise for mutual benefit and growth based on the availability and vacancies of both parties.

Validity of the memorandum of understanding shall remain in force for a period of five years from 10th day of August 2023 shall be in full force and effect until early termination or expiry. Before the end of the term, the parties shall review the engagement and may renew for any further term by mutual consent and the same be in writing signed by both parties.

Termination of the memorandum can be done by either party by giving written notice of one month in advance to the other party without any conditions.
